## Summary

I'm Sanju Koshti, a passionate BCA student currently in my 5th semester, specializing in programming and web development, with hands-on experience in C, Java, Python, PHP, JavaScript, and front-end technologies like HTML and CSS. I've developed real-world projects and enjoy solving coding problems. I'm actively working on improving my resume, building a strong portfolio, and preparing myself for a successful career in the IT industry.

---
